To: Oscar Björlin, Majnabbe Motor Diesel Service AB

Subj: QUALIFICATION OF MAJNABBE MOTOR DIESEL SERVICE AB TO PROVIDE SERVICE AND REPAIR SUPPORT FOR WARTSILA ENGINE TYPE WN25 AND ALL NOHAB ENGINES

Ref: (a) COMSC Instruction 4490.1C dated 30 March 2020, Qualification Requirements for Items Critical to Safety on Vessels Assigned to Military Sealift Command

1. Reference (a) establishes Military Sealift Command (MSC) policy and procedures for qualification requirements in the procurement of items critical to safety and the modification, repair and overhaul of those items assigned to Military Sealift Command vessels. The Instruction designates the MSC Engineering Director as the Design Control Activity (DCA) responsible to ensure that the design, production and performance standards are met for ship critical safety items. The instruction further assigns responsibility to the DCA to establish qualification requirements and to qualify and identify vendors that meet the criteria and standards for ship critical safety items.
2. Majnabbe Motor Diesel Service AB requested consideration for qualification and submitted all required information. An MSC N7 Engineering DCA evaluation team reviewed that information and determined that Majnabbe Motor Diesel Service AB meets the relevant qualification criteria for maintenance and repair services on Wartsila MN25 and all NOHAB diesel engines.
3. Majnabbe Motor Diesel Service AB is deemed qualified to provide OEM-equivalent parts, maintenance and repair on MSC ships for Wartsila MN25 and all NOHAB diesel engines. This qualification must be re-evaluated no later than 24 months from the date of this letter. Within its sole discretion, MSC may revoke qualification at any time if Majnabbe Motor Diesel Service AB fails to provide quality maintenance and repair services, or if Majnabbe Motor Diesel Service AB is unable to sustain the capabilities required in reference (a).
4. The MSC point of contact is Neil Lichtenstein, (757)341-6221; email: [neil.lichtenstein@navy.mil](mailto:neil.lichtenstein@navy.mil).

A handwritten signature in black ink, appearing to read "A. Busk", is positioned above the printed name and title.

ANDREW BUSK  
Engineering Director
