From: Engineering Deputy Director, Military Sealift Command
To: Terje Eriksen, Owner Eriksen Diesel Repair, Inc

Subj: QUALIFICATION OF ERIKSEN DIESEL REPAIR, INC. TO PROVIDE DIESEL
ENGINE MAINTENANCE AND REPAIR SERVICES FOR BERGEN MARINE
ENGINES

Ref: (a) COMSC Instruction 4490.1C dated 30 March 2020, Qualification Requirements for
Items Critical to Safety on Vessels Assigned to Military Sealift Command

1. Reference (a) establishes Military Sealift Command (MSC) policy and procedures for qualification requirements in the procurement of items critical to safety and the modification, repair and overhaul of those items assigned to Military Sealift Command vessels. The Instruction designates the MSC Engineering Director as the Design Control Activity (DCA) responsible to ensure that the design, production and performance standards are met for ship critical safety items. The instruction further assigns responsibility to the DCA to establish qualification requirements and to qualify and identify vendors that meet the criteria and standards for ship critical safety items.
2. Eriksen Diesel Repair, Inc. requested consideration for qualification and submitted all required information. An MSC N7 Engineering DCA evaluation team reviewed that information and determined that Eriksen Diesel Repair, Inc. meets the relevant qualification criteria for maintenance and repair services on Bergen marine diesel engines.
3. Eriksen Diesel Repair, Inc. is deemed qualified to provide OEM-equivalent parts, maintenance and repair on MSC ships for Bergen marine diesel engines. This qualification must be re-evaluated no later than 24 months from the date of this letter. Within its sole discretion, MSC may revoke qualification at any time if Eriksen Diesel Repair, Inc. fails to provide quality maintenance and repair services, or if Eriksen Diesel Repair, Inc. is unable to sustain the capabilities required in reference (a).
4. MSC point of contact is myself, Neil Lichtenstein, (757)341-6221; email: neil.lichtenstein@navy.mil.

NEIL LICHTENSTEIN
Engineering Deputy Director
