OL4 1DE, United Kingdom

Tel: +44 (0) 161 785 7700
Fax: +44 (0) 161 785 7777

To Whom It May Concern:

Please note, Simplex Americas LLC, with offices at 20 Bartles Corner Road Flemington New Jersey, is an authorised OEM Factory service provider for all the products and services supplied by Pilgrim International Limited for the Marine sector.

Simplex Americas , with a number of Propulsion Trained Field Service Engineers located throughout the Americas, is fully authorized and certified for the installation of the entire range of Pilgrim products, including Morgrip, Clamp, Radial Fit and Pilgrim Bolt including the Coupling Hole Alignment Tool (CHAT.) as well as Pilgrim Nuts whether manufactured by Pilgrim or under licence for Pilgrim by MAPECO.

In addition, Simplex Americas is also fully qualified too machine, in-place, the bolt holes to allow for correct fitting of our Bolting products, thereby offering a complete Turn-Key installation package for the customer.

All orders for service work for Pilgrim products will come via Pilgrim, who would then authorise Simplex Americas to complete the service contract on our behalf.

Simplex Americas may be contacted as follows:

Simplex Americas LLC
